A&L Proposed College Policy on Tenure-seeking faculty course releases
revised 10-12-17

Upon confirmation of appointment, the department Chair/Director and the Faculty Member determine the best time for the two pre-tenure course releases, based on projected progress to be made on the research/scholarship/creative achievement agenda in Years 1-5. The first course release is to be used during Years 1-3; the second course release is to be used during Years 4-5.
