Dear Parent,

Our office has received notification from the U.S. Department of Education that **you have been denied access to the Federal Direct Parent PLUS Loan program for the current aid year** for fall, spring, and summer term. As the notification received stated you intend to appeal the decision or seek an endorser for the Federal Direct Parent PLUS Loan, we are unable to further action until your Federal Direct Parent PLUS Loan eligibility is finalized.

Should you decide to abandon your pursuit of obtaining a Federal Direct Parent PLUS Loan, please notify our office of your decision by submitting this form with the box below checked and all requested data areas (name, signature, last 4 digits of SSN, and date) completed.

I have decided to abandon pursuit of obtaining a Federal Direct Parent PLUS Loan for the current aid year.
I will not seek obtaining the loan through appealing the credit decision or applying with an endorser. I understand that, should I later approved for a Federal Direct Parent PLUS loan for the current aid year, my son/daughter may be required to repay any Unsubsidized Stafford Loan funds awarded for the current aid year based on this current decision to abandon Federal Direct Parent PLUS Loan process.

Student Name (print): _____
